SWAPPING CONTACTS

Team Detroit's Finest

Kai-Chieh (Kenneth) Huang | Phalguna Rupanagudi | Pragati Singh | Wyndham Hudson | Yu-Lin Chung

1

Organise contact and all social media accounts in one place

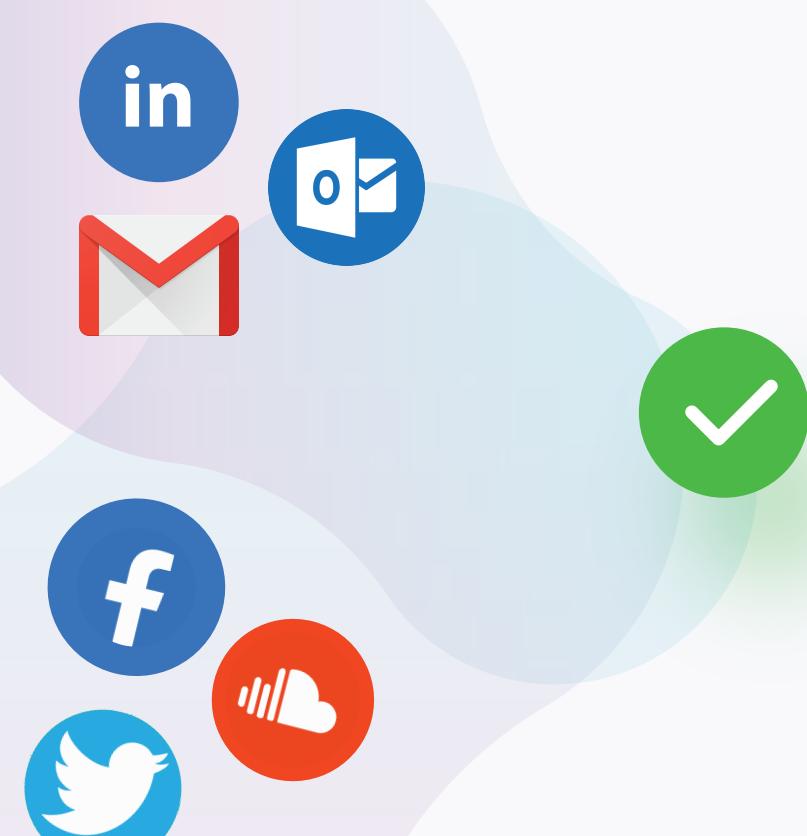

2

Exchange contact really quick in just one tap.

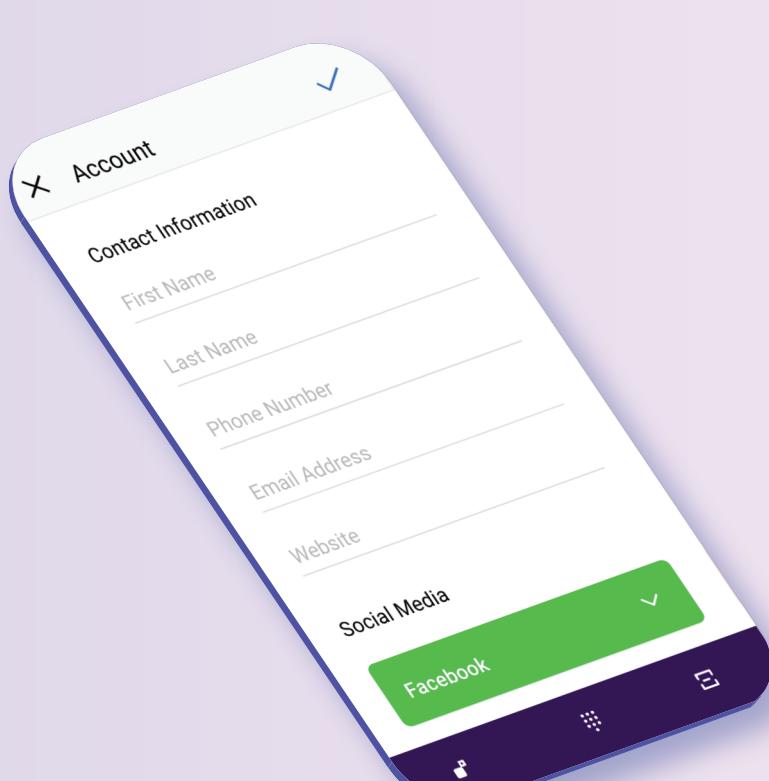

3

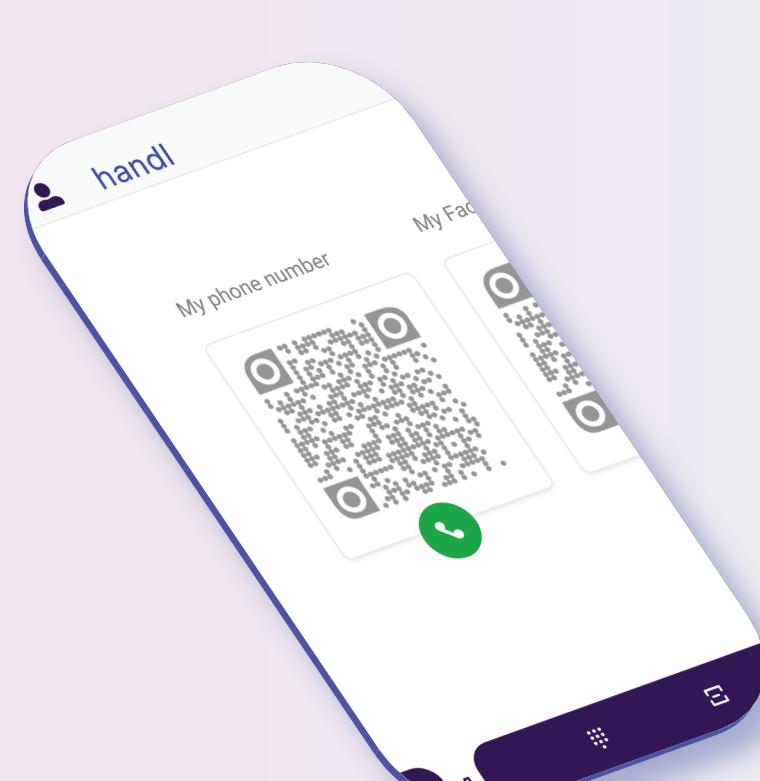

Control what information to share on the go.

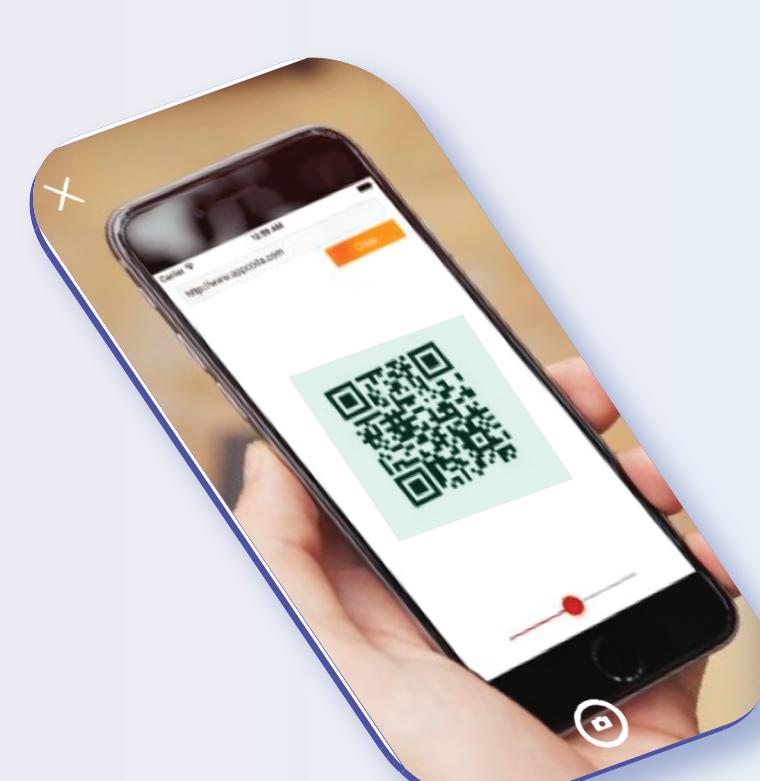

Handl's core values revolve around supporting quick contact swapping, centralizing contact exchange methods, and simplifying the contact exchange process. Through Handl, users can get rid of the tedious and awkward moments they experience trying to find another user on social media or navigating in apps to try to find built in sharing methods.
